The Lexington Candy Shop Diner -
family run business since 1925!
wonderful!

Floor 103 of the Empire State
Building - special permit to
get to the highest viewing point ☺

The High Line -
Built in the 1930's, no trains
have run on those tracks since
since the 1980's. Special
permission gained to get
access to this section - exciting!

Tudor City -
amazing views of Manhattan -
wonderful gothic features ☺

The Metropolitan Museum of Art -
Access to the sculpture hall early
before the museum opens
